SENATOR DWORAK: Mr. President, I move that LB 240A be advanced to E & R for engrossment.

PRESIDENT: Discussion of that motion? The question is the advancement of 240A. All in favor say aye. Contrary nay. The bill is so advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the Enrollment and Review amendments to LB 193.

PRESIDENT: Discussion of the motion. The question is the adoption of amendments to LB 193. All in favor say aye. Contrary nay. The amendments are adopted.

SENATOR DWORAK: Mr. President, I move . . .

CLERK: Mr. President, motion on the desk. I move to amend 193, the standing committee amendment. After the line "a newspaper of general circulation in a city or village." insert "Provided, separate claims under each department or fund may be added together and listed as one sum with appropriate symbols to indicate the department or fund." Signed, Senator George.

PRESIDENT: Chair recognizes Senator George.

SENATOR GEORGE: Mr. President, just a brief explanation of this amendment. Small towns do have a number of claims that are on the \$1.98 category. This is just an attempt to lump sum some of these rather insignificantly small sums and to save some space and cost.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: I talked to Senator George. The way I read the amendment I certainly have to rise in opposition to it simply because it would defeat the purpose of what we're trying to do as I read it. I'm sorry that I have not . . . what it would simply do is you would put down the police department \$8500, water department . . . so you'd only have five or six figures which would not distinguish what the claim was for and who it was to. It would be by department. For this basis I have to rise to oppose Senator George, whom I normally do not oppose.

PRESIDENT: Any further discussion? Senator George do you wish to be heard in reply? The question is the adoption of Senator George's amendment to LB 193. Record your vote. Senator Marsh.

SENATOR MARSH: (mic inactivated) . . . the Clerk to please read this.
